Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Tuesday 26 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain and snow dying out overnight. Sunny spells developing Wednesday.

This Evening and Tonight:
Cloudy with outbreaks of sleet and snow, with rain at lower levels, slowly dying out through the evening and overnight. However it will remain rather cloudy with ice possible on untreated surfaces. Minimum temperature -1 deg C (30 deg F).

Wednesday:
It will be a cloudy start but this clearing from the north towards midday to leave a dry and sunny afternoon. Cold with mostly light northerly winds. Maximum temperature 4 deg C (39 deg F).

Outlook for Thursday to Saturday:
Cloudy with rain, sleet and snow pushing northeast through the morning, some significant snow possible over hills. Precipitation clears south Friday morning then mainly dry with sunny or clear spells.
